

TINY TWISTERS SHOWCASE TEAM

It is our desired intent to introduce our youngest athletes to the world of All-Star cheerleading with this introductory program.

Our Non-Competitive Showcase Team will practice a true showcase routine! Upon completion of the 6 classes, they will take the mat with the learned all-star routine and perform for parents, families, and spectators at our very own Knoxville Twisters All-Star Jamboree on October 18th.

AGE REQUIREMENT

Athletes must be between 4 and 7 years-old

PRACTICE REQUIREMENTS

This will be a 6-week program! Beginning September 8th athletes will practice each Monday from 5-6 p.m. Due to fall break we will skip October 6th and add a practice the week before the showcase event on the 18th. During practices the athlete will work on their performance routine which will include stunting, tumbling, and dance! While these teams are non-competitive, we want to remind you and your athlete of the team commitment. All-Star Cheer - at any level - is a TEAM sport, and the TEAM is needed if the TEAM is to be SUCCESSFUL.
