Twisters Class Info

At Knoxville Twisters it is our goal to provide a fun, yet challenging environment that encourages, supports and drives the individual athlete to learn and develop tumbling skills in a safe and fun atmosphere!

Our coaches are skilled, trained and ready to help your athlete succeed!
We begin by offering a FREE trial class to all new athletes. The advantage of the trial class is that it gives our coaches an opportunity to work with your athlete to determine each student's level of skill for proper class placement while allowing the parent and the athlete an opportunity to observe/participate in a full class.

To confirm placement in a chosen class, each athlete will be charged an annual registration fee of $30. (There is a discount for siblings.) Monthly tuition for one class per week (4 per month) is $78. (There is a discount for siblings.) Pre-school classes are 45-minute sessions, all other classes are 55-minute sessions.

We DO NOT require a contract; your tuition is month to month and is payable on the 25th of each month for the following month. We do make allowances for absences. When this occurs, please attend the equal level class on an alternate day.

Registering for a class, trial or active, is easy to do! Start by creating your account on this website and simply follow the on-screen direction. Links are attached below!

Your first step is to go to our website:
